- **Wash the pumpkin and then remove the outer skin**
- **Remove the seeds and cut it into smaller pieces**
- **Add the pieces into a juicer and start extracting the juice**
- **Sweeten with organic honey or other healthy sweetener**
- **To boost the flavor, you can add radish, nutmeg, cinnamon, ginge or lemon juice**
- **Serve and enjoy**

Pumpkin Juice's Amazing Health Benefits

- **Averts arteriosclerosis**

This orange-colored juice will cleanse the arteries from plaque deposits and lower your risk of strokes and heart illnesses. This effect is achieved thanks to its strong antioxidant capacity.

- **Betters the digestion**

If you are constipated and need to improve your bowel movements, opt for pumpkin juice- it can do wonders for your digestive well-being.
