The 4-month-old sweet boy is actually a big baby who loves spreading joy and snuggling with people.

Ferreira explains that people often get scared of his 'tough looks'; however, when they get to know him, they become amazed. They love his sweet nature and how he welcomes everyone with a smile on his face.

Her neighbors love him. But, Nino has a real favorite in the family, and it's not Kamilla!

Nino’s Favorite: Kamilla’s Teen Sister

Nino loves to cuddle and spend time with the teen sister of Ferreira, Carol. Whenever they spend time together, a nap is involved.

Ferreira explains their bond is so strong and they behave like brother and sister. And, Nino seems like he is a professional cuddler. And, one day, Ferreira managed to catch the sweetest pair while snoozing after a beautiful day at the beach.

Nino had the most wonderful time running in the sand, playing in the water, and was quite tired afterwards. So was Carol.

So, when Carol fell asleep in the backseat of the car on the drive home, Nino was struggling to stay awake. Soon enough, he couldn’t resist it and the car’s motion lulled him to sleep.

The two were snoozing all the way home. Kamilla says this was the most amazing moment and she’s glad she caught it on camera. The sweet head of the pittie on her sister’s shoulder is the cutest ever.

After sharing it on TikTok, the video went viral fast and has been viewed more than 3 million times, making Nino the most popular doggo on social media for the thing he does best, i.e. sleeping.
