Tuba is a sweet dog who loves her family. However, she also loves something else a lot-it's the backyard swing.

And, she's not afraid to express her love for the swing! Although they have plenty of backyard space to run, play, and explore with her sister Tuna, Tuba seems to love the swing the most.

Tuba often twists and twirls around the swing and it's the most hilarious thing ever. She reminds of a small child!

This is when the grandpa of the two sisters came by. They love his rubs and Tuna ran towards him right away to get them.

But, Tuba had her own thing-she was swinging without a worry on her mind.

And, when anyone or anything tries to 'take away' the swing from sweet Tuba-they get what they deserve! Here's how she behaves then:

This is what happens when she gets to her swing. Isn't she the happiest? Although her family isn't sure what attracts her so much, it's definitely true love.

And, sometimes, true love can't be explained with words-we have to feel it, right?

If you have a dog or a cat, what is their favourite thing to play with? Share it with us in the comment section below!
