Shaq Takes the Family to Dinner & Buys Them Vehicles

In one post, Karissa explained that Shaq surprised her family. He took them all to dinner and purchased them the needed vehicles.

The happy mom said how she's speechless after the blessing by Shaq. The family had a great time hanging out and eating with the legend of basketball.

They started the day by going to a Mercedes dealership where Shaq wanted to get them a new family 15 passenger van. The family was bigger and their current 12 passenger van was getting smaller.

Since they didn't have one in stock, the family was given the opportunity to order a customized one that will be ready for them in July.

Shaq Pays for an Entire Dinner of Another Table & Tips a Waitress with $1000

Believe it or not, the dinner got even better when Shaq tipped a waitress for $1000 after she informed them how her car broke down earlier that day.

What's more, he also paid for the meal of another group at a nearby table. He didn't know that they weren't from here and that they were on missions.

When Shaq saw that Karissa's husband's truck was without an AC and heat, he took them to a Ford dealership and bought them another truck. He spent an amazing time with the kids, encouraging them and loving them, speaking life into the whole family, explains Karissa.

Karissa and her husband were lost for words.

At the end of her post, Karissa wrote that someone should wake her up because she must be dreaming. She thanked the legend again and emphasized that he's been a blessing for them in so many ways.

Shaq commented on the post saying that “family is everything.”
