The hospital staff took in the kitten and gave the worried mother food and milk. They checked them out both and then send them to a vet's office.

The kitten is now doing well.

The Mother Cat & Her Kittens Are Now Good

The heartwarming photos took over the hearts of many people online and they were liked more than 80,000 times on Twitter. The story even got on the Turkish news.

One person on Reddit wrote that in Turkey, stray cats and dogs are like everyone's pet and you can spot water and food for them on almost every corner. In fact, cats are allowed to sleep in their mosques, a beautiful place for stray animals.

This is definitely our positive story of the day-what's yours? What did you do today to help a person or an animal in need?
